PAD PAWS Rescue understands and agrees to the following:

- We are here to promote a healthy relationship between you and your pet.
- We encourage you to call us with any questions and concerns and ask that you respond to our follow up requests by phone or email.
- We recognize some pet matches may not be successful through no fault of the person or the pet. We will welcome you and the returned pet back. If you are able to rehome the animal, we ask that you provide us with the new families contact information so we may continue to provide support to that animal.
- PAD PAWS Rescue strives to provide you with a healthy pet. However, the stress of changing environments can lower an animal's immunity to fight disease and the pet could harbor an infection without displaying symptoms. We cannot guarantee the health of any animal.

ADOPTER understand and agrees to the following:

1. I am 18 years of age or older.
2. I understand the adoption fee covers all initial shots, exam and spay/neuter.
3. I will take the animal to a veterinarian at least once a year for a full exam.
4. I may return the animal for an exchange or adoption refund within 14 days.
5. I will provide a humane environment, regular exercise and companionship for my pet.
6. I will NOT ever declaw this pet.
7. I agree to keep this pet inside at all times.
8. I will not open windows unless there are secure screens in place.
9. I agree to a home visit prior to adopting this pet.

I acknowledge that I have read and fully understand the terms and conditions of the adoption contract and that I will comply with the agreement.
